SAN PEDRO ♥ FESTIVAL OF THE ARTS (previously the TriArt ♥ Festival) announces Year 15

The SAN PEDRO ♥ FESTIVAL OF THE ARTS (formerly the SP TriArt Festival) is a free family event and is all DANCE this year. It begins Sept 1 with our FILM selections. It continues with free LIVE performances at ALVAS SHOWROOM Sept 12, and at ANDERSON PARK Sept 19- with all programs different! More on the following pages.

San Pedro Festival of the Arts

Nine years ago, the TriArt Festival moved to Ports O' Call Village helping to draw in thousands of new spectators, performers, and vendors to showcase San Pedro as a center for art. Because of construction on the site the festival then moved to a location across from the USS Iowa, Port of Los Angeles, and now returns to its new home at Anderson Memorial Center Park. Last year it was totally Virtual, and this year returns with both a Virtual Film Division and two live performance dates.

Original founder, Joe Caccavalla, envisioned the dance, music, and visual arts/ crafts as the heart of the festival to foster art appreciation. After his death in 2012, the producers reformed as SAN PEDRO ♥ TRI ART Festival and since then our audience attendance has multiplied by the thousands along with increased recognition. It has become best known for its dance performances, also gaining increased recognition each year for its music. Our company, Los Angeles Choreographers & Dancers (LA C&D), had previously been the non-profit fiscal receiver for the festival, and we applied for and received a festival grant from the Department of Cultural Affairs, City of LA, which is still one of our major funders. Louise Reichlin, Director of Los Angeles Choreographers & Dancers, is Executive Producer and Dance Director, and curates with a committee a diverse range of companies from a large competitive group of applications, this year including ballet, modern, jazz, contemporary, and specific and fusion ethnic groups. Included are both professional and pre professional dance companies so they can share their work with each other and the community. For further information email her at louisehr@l choreographersanddancers.org.

Los Angeles Choreographers & Dancers is supported, in part, by the Los Angeles County Board of Supervisors through the Los Angeles County Department of Arts and Culture. This re-introduction of the San Pedro Festival of the Arts using film and multiple performances is made possible by a federal stimulus grant supplement. The San Pedro Festival of the Arts is made possible in part by a grant from the City of Los Angeles Department of Cultural Affairs.

In-kind donations towards the stage are again promised from Joe Buscaino's Los Angeles City District's office of Jacob Haik, local district director. Many businesses contributed items including Alvas for the first venue of Alvas Showroom, and dance flooring for the Park, and Peter Benjamins for Sound for the Park. Many of you have contributed help with our marketing! Thanks to our past and present funders and donors, the SAN PEDRO ♥ FESTIVAL OF THE ARTS is able to thrive another year and bring the vibrant San Pedro community quality art performances and unforgettable sites and sounds.

For more information on the producing company, please see www.LAChoreographersAndDancers.org. A page on each of the events (with 2 for Anderson Park) and Photo pages follow. The official website is www.triartSP.com and has a history of many of the past festivals and participants, and this years will continue to be updated through September.
